Notes : The decapitation scene in this panel and its two companion monuments, "Southwest Panel Ball" and "Southwest Panel 8," is repeated six times in the Ballcourt reliefs, three times on the east wall and three on the west. Here the kneeling, decapitated figure gushing streams of blood in the form of snakes is on the left, while the figure holding the knife and severed head is on the right (in "Southwest Panel 8"). When the scene is repeated in the center and opposite end of this wall, the positions are reversed.
